CONDITIONS FOR FUNDING NUNNEY PARISH COUNCIL

In order to help Nunney Parish Council assess your request for funding, we would ask that you complete the attached application form. Funding requests can only be considered from organisations and residents from the Parish of Nunney and should demonstrate that the grant would benefit the community as a whole, or sections of the community. If a grant is conditional upon the applicant securing funding from other sources, Nunney Parish Council may require documentary evidence that payments have been received from the other funders before payment can be made by Nunney Parish Council.

The Parish Council reserves the right to seek additional information relating to any request for funding. This may include a request that the applicant obtains additional quotes for work/services to be funded in order to demonstrate value for money. The Parish Council may ask the applicant to submit documentary evidence that the applicant has used the full grant stated in the application for the purposes detailed. If the applicant is unable to provide this, then Nunney Parish Council reserves the right to request a full refund of unspent grant. It is expected that grant recipients will inform the Parish Council if any grant will not be spent. If an organisation is awarded a grant, Nunney Parish Council may request recognition in any marketing material if appropriate and may require feed-back on the project for which the money is required so that members could monitor the benefits. Awards cannot be made to individuals or national organisations
