

Sustainable Nunney Meeting 6. 18 May 2023 (The George Inn)

23 attendees

The meeting was well attended as a result of using email addresses and contacts from past meetings, plus face book and various WhatsApp groups to publicise the event.

Discussions took place around all the topics that had been put forward at previous meetings. These were narrowed down to 5 working sub groups and participants were asked to put their names forward for any of the groups that they would like to join. Each group will initially be coordinated by the

The creation of the 5 groups consisted of the following:
